Albertville, MN based Long Haul Trucking has drawn the three finalists for the Grand Prize, a new 2012 Victory Vegas Custom painted Jackpot motorcycle, for a Safety and Recruiting contest held over the past year. The winner will be announced Friday March 23rd at 3:00 pm in Booth 36150 at the Mid American Truck Show.

The three finalists are Owner Operator's Steven Wright, Jeff Christenson and husband and wife Team Operators, Evan and Shannon Jones. All three finalists withstood all the criteria required: accident free and DOT violation free driving, on-time pickup and delivery with no customer complaints and they each referred at least one O/O or Company driver that came to work for Long Haul in 2011 .

America's Road Team Captain Doug Lee will be drawing the lucky winner.

The contest proved to be a successful campaign as Long Haul Trucking has increased the size of our fleet by 8 % and most importantly, reduced our DOT Safe Stat Rating by 31% since the program kicked off last year at the Mid America Truck Show.

With the success of this campaign, Long Haul Trucking plans to run a similar program again in 2012.

LONG HAUL TRUCKING IS AMERICA'S PREMIER RETRACTABLE TARPING FLEET, with more than 260 late model, GPS tracked trucks, running all-aluminum flatbed and step-deck retractable rigs, across the USA and Canada.
